
Midstate Advanced Life Support

PROVIDER AGREEMENT

The practice of pre-hospital Advanced Life Support is a privilege granted to me by the Midstate Regional Emergency Medical Advisory Committee (REMAC) and the Regional Medical Director through Midstate Regional Policies, Procedures, Protocols and the Faxton - St. Luke's EMS Program Agency Medical Control System.

I agree to the Continuing Medical Education (CME), Skills Maintenance, and requirements set forth by the Midstate REMAC. I agree to remain in Good standings while practicing within the Midstate EMS System and that practicing Advanced Life Support Treatments/Skills without REMAC authorization (Suspended) constitutes practicing medicine without a license.
