## Employment Opportunity

St. Johnsville Ambulance is seeking applications for the open position(s) of

### Daytime Per- Diem ALS Provider

St. Johnsville Ambulance is a combination Career/Volunteer non-profit organization that runs approximately 500-600 calls per year. We are the Primary 911 provider for our village and the surrounding townships. Our calls include the expected cardiac, respiratory, and other medical calls, but also include industrial rescue/EMS, water rescue (Erie Canal and Mohawk River), MVA's, Farm rescue/EMS, and critical ALS interfaculty transfers. This year we have also secured a contract to provide rescue and EMS for the new Twister Valley Sports Complex in the town of Minden. Twister Valley has 2 motocross tracks and runs events for motorcycles and quads on Sundays and Friday nights. St. Johnsville Ambulance has just purchased a specialized utility rescue vehicle for use at this track.

The best candidates for these positions will be experienced providers that are able to think and perform on their own, and who are up to the challenge of exciting and diversified EMS.
